

DEFNYDDIO CESTYLL BOWNSIO

Mae cestyll bownsio a dyfeisiadau eraill sydd wedi eu llenwi ag aer wedi eu heithrio o yswiriant y Neuadd. Felly os ydych chi'n cael castell bownsio neu ddyfais aer arall yn eich parti, mae angen ichi wneud yn siŵr fod dau fath o yswiriant gennych.

Yswiriant– yr hyn sy'n rhaid i chi ei wneud

- ❖ Bydd angen i'r person sy'n goruchwyllo'r offer, mae'n debyg mai chi yw hwnnw, gael Yswiriant Atebolrwydd Cyhoeddus, fel sicrwydd rhag ofn i unrhyw ddamwain ddigwydd. Efallai bod eich yswiriant cartref yn barod yn eich diogelu. Gwelwch y rhestr isod am fanylion.
- ❖ Mae angen i berchennog yr offer gael yswiriant mewn grym sy'n gadael i eraill ei ddefnyddio. Bydd gan gwmnïau cyfrifol hyn a byddant yn dweud hynny ar eu gwefan.
- ❖ Mae'n rhaid i'r Neuadd dderbyn tystiolaeth gennych ddim hwyrach na 7 diwrnod cyn y parti/digwyddiad bod y ddau fath o yswiriant mewn grym cyn y gellir gadael i unrhyw gastell bownsio neu offer aer arall gael ei ddefnyddio yno. Felly er mwyn osgoi siom, cwblhewch y rhestr wirio isod.

RHESTR WIRIO AR GYFER PAWB SY'N DEFNYDDIO CASTELL BOWNSIO NEU OFFER AER ARALL

Dw i wedi hysbysu'r Neuadd (drwy'r ffurflen fwcio neu e-bost diweddarach) y bydd castell bownsio neu offer aer arall gennym

Dwi wedi e-bostio i cyswllt@carreglefn.org (o leiaf 7 diwrnod cyn y parti/digwyddiad) gyda dolen i'r dudalen berthnasol ar wefan y cwmni llogi, neu gyda thystiolaeth arall, yn dangos fod gan y cwmni yswiriant mewn grym sy'n gadael i eraill ddefnyddio'r offer

Dwi wedi e-bostio i cyswllt@carreglefn.org (o leiaf 7 diwrnod cyn y parti/digwyddiad) gyda thystiolaeth, fel y person sy'n goruchwyllo'r offer, fod gennyf yswiriant atebolrwydd cyhoeddus mewn grym

Os mai parti preifat yw hwn a'ch bod yn ei oruchwyllo eich hun, gwiriwch gydag yswirwyr eich cartref. Efallai y bydd hyn wedi ei gynnwys o dan adran atebolrwydd personol y polisi. Os nad yw, mi ddylen nhw fedru trefnu yswiriant ar gyfer diwrnod y digwyddiad.

Fel arall, gall y cwmnïau canlynol ddarparu yswiriant:

- ❖ Park Insurance
- ❖ Peacock Insurance

USING INFLATEABLE DEVICES

To use inflatable devices at the hall you will need insurance.

Insurance – what you have to do

Bouncy castles and other inflatable devices are excluded from the Hall’s insurance. So, if you have a castle or other inflatable at your party, you need to make sure that two lots of insurance are in place.

- ❖ The person supervising the use of the equipment, which will most likely be you, needs to have their own Personal Liability Insurance, to cover them for any accidents that may happen. You may already have cover under your home insurance. See checklist below for details.
- ❖ The owner of the equipment must have insurance in place to allow its use by others. Reputable companies will have this and will say so on their websites.
- ❖ The Hall must receive evidence from you no later than 7 days before the party/event that both types of insurance are in place before it can allow any bouncy castle or other inflatable. So, to avoid disappointment, please complete the checklist below.

CHECK LIST FOR USING A BOUNCY CASTLE OR OTHER INFLATABLE DEVICE IN THE HALL

- | | | |
|--|---|---|
| I have informed the Hall (via booking form or later e-mail) that there will be an inflatable |  |  |
| I have e-mailed (at contact@carreglefn.org at least 7 days before the party/event) with a link to the relevant page on the hire company’s website, or with other evidence, showing that the company has insurance in place for others to use the equipment |  |  |
| I have e-mailed (contact@carreglefn.org at least 7 days before the party/event) with evidence that, as the person supervising the inflatable, I have relevant personal liability insurance in place |  |  |

If this is a private party, and you are supervising it yourself, check with your household insurers. You may be covered under the personal liability section of the policy. If not, they should be able to arrange cover for the day of the event. Otherwise, the following companies may be able to provide insurance:

- ❖ Park Insurance
- ❖ Peacock Insurance
